

## 120 WATTS HIGH POWER LED FLOODLIGHT

### FEATURES

- Compact design
- Die-cast aluminium housing
- Stainless steel lamp bracket
- Stainless steel screws
- Polycarbonate glass for superior strength, impact & fire resistance
- Integrated electronic thermal management (ETM) which reduces LED temperatures for long life and reliability
- Sustainable LED technology
- 2 year warranty

### SPECIFICATIONS

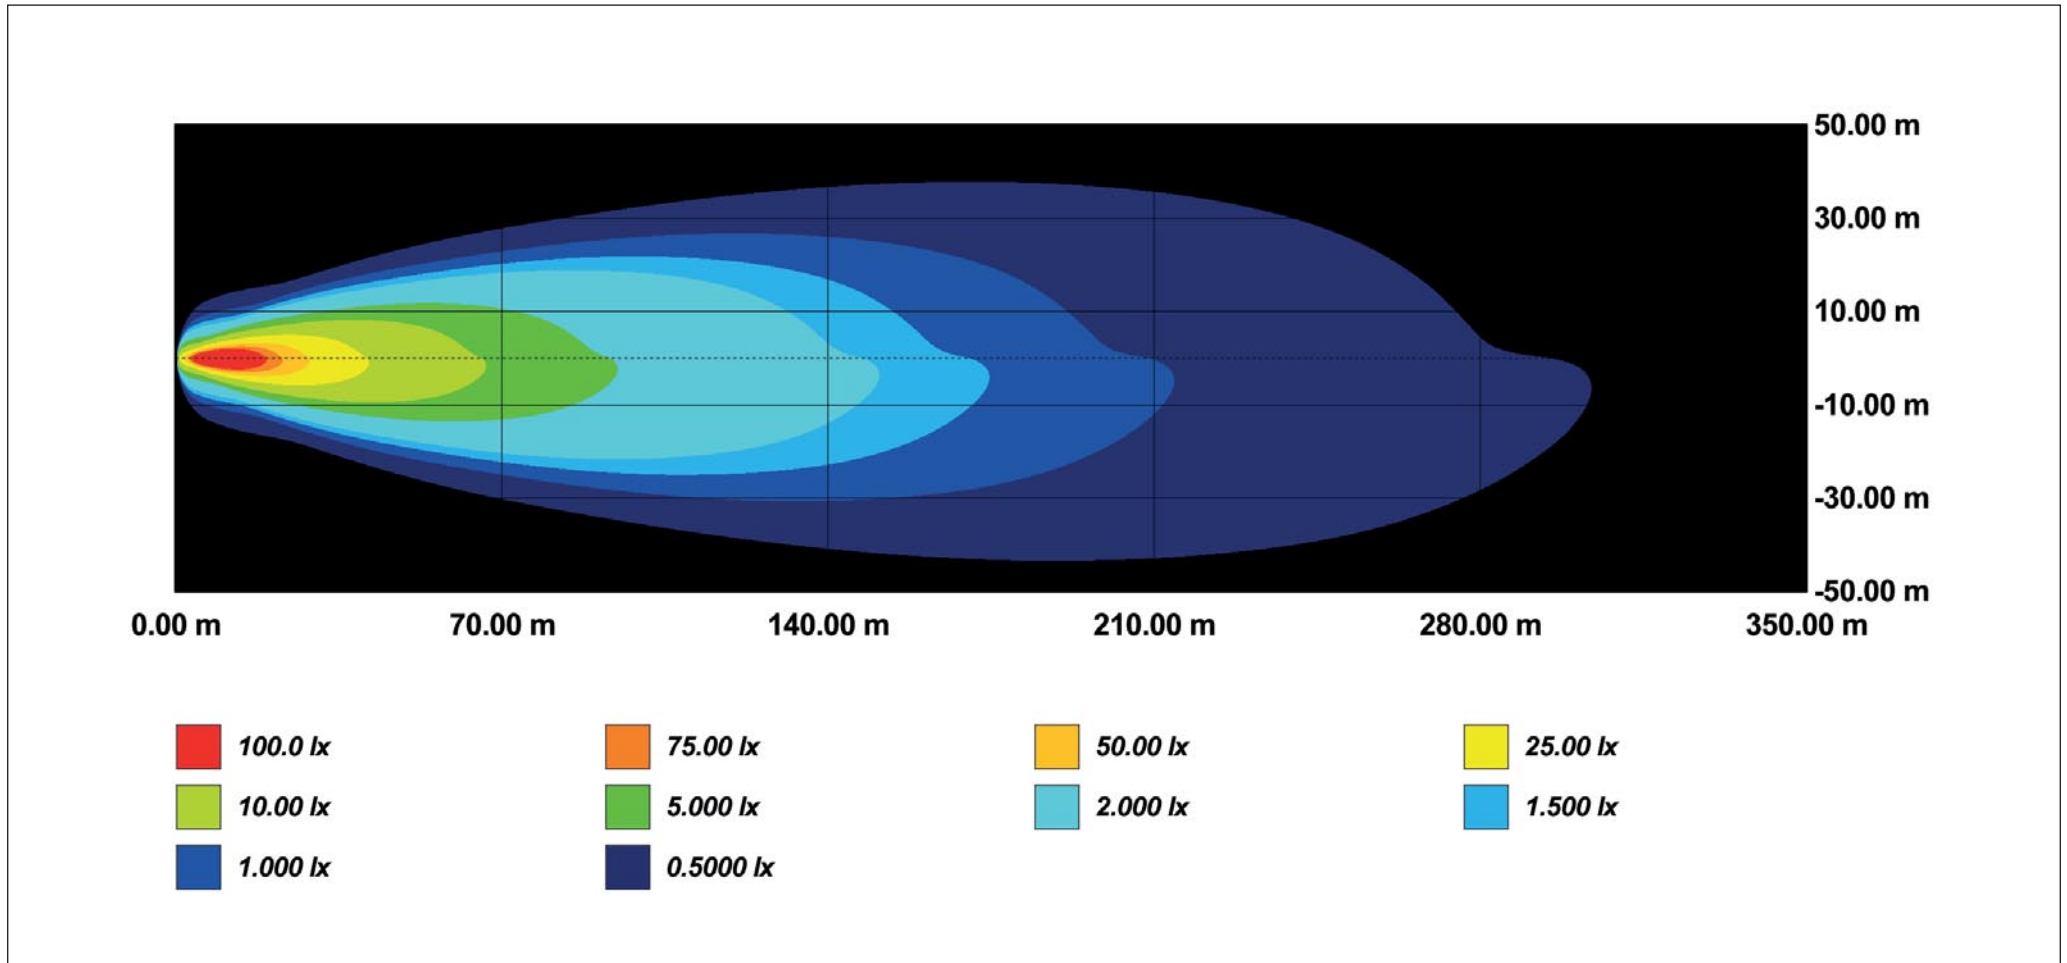

Light source	LED
Quantity of LEDs	24
Luminous flux	12.000 lumens
Power	120 Watts
Colour temperature	6000K
Voltage	9-32V DC multi-voltage
Current	10 amps (at 12V DC), 5 amps (at 24V DC)
Colour of light	Cool white
Efficiency rate	90%
Operating temperature	-40 Celsius ~ +80 Celsius
Optically pure	90%
Lifespan	50.000 hours
Housing material	Die-cast aluminium
Housing colour	Black
Protection class	IP68
Approval	CE/RoHS
Beam angle	40°
Lamp dimensions	7.90" W x 3.66" H x 3.94" D (200 x 93 x 100 mm)
Lamp weight	5.4 lbs (2,45 kg)
